In addition, when sold with another Cox Affiliated Company service, customers will also receive one month of waived recurring charges. The PRI Bulk Service rate includes the access facility, configuration option (23B+D, 24B, or 23+D Backup), trunk connection type (DOD, DID, 2-way, Call-by-Call Selection), up to 100 DID numbers (in 20 number block increments), and installation. The DS1 Bulk Service rate includes the access facility, trunk connection type (DOD, DID, 2-way), up to 100 DID numbers (in 20 number block increments), and installation.
